## IT'S ALMOST SUMMER!

*by Kelsey Meservy*

Can you believe it is almost the end of the school year?! We are having an ice cream party on the last day of school to celebrate! We hope to see you there. For families with kids, the other big news is that Sunday School is back open! Cindy Massarro worked very hard to redecorate the room and it is light and bright now! We need your kiddos help with making it "their space." We are going to start an ongoing craft that the kids will be able to contribute to when they come. In addition, we will take some polaroid pictures of them and use their pictures to help decorate as well! One idea to do with your children in May is to collect wildflowers and talk about how we grow in our relationship with God. Some ways we get to know God better is by meeting with each other, talking to God, noticing God in our lives and reading the Bible and books about God!
