

Lord of the Mountains Memorial Garden is a place to gather and remember our loved ones. With the placement of a memorial brick, you can create a durable reminder of your loved one's journey on earth. We would be honored if you were to choose our garden as a permanent resting place for the ashes of a spouse, relative, or friend.

An area in the garden is designated for Memorial Bricks. If you wish to purchase an etched memorial brick, please complete the information below.

1. If you would like to have a symbol in the upper left corner of the brick, circle one of the options below or select "No Symbol." **Choosing not to have a symbol is absolutely all right**
