THE RESULTS ARE IN...

by Kelsey Meservy

Thank you so much for taking the time to fill out our Family Input Survey! It was very helpful and we are getting some activities planned based on the results! The four things that we are going to focus on are the following:

1. Monthly Outdoor Family Gatherings
2. Monthly Teen Outdoor Gatherings
3. Monthly Adult Virtual Book Club
4. Bi-Monthly Virtual Video Messages/Activities for kids, students and families

We are excited to get things going and we hope you are stoked about getting involved with something! It seems that the best way to communicate is via email. Some people are also interested in joining a WhatsApp group so those are the 2 methods of communication that we will use! Our email is lotmyouth@gmail.com.
